

2009 TOUR OF REMODELED HOMES
KITCHEN & ADDITION
 303 S. CHAPMAN STREET

PROJECT DESCRIPTION

The primary objective for this project was to stay in keeping with the architecture of the original home and the beautiful old Sunset Hills neighborhood. The second objective was to give the homeowner a larger and more work friendly kitchen, as well as a new breakfast area, family room and master suite.

BEFORE

This new kitchen features custom cabinets, new appliances and granite countertops. Careful detail can be seen in the custom millwork throughout the home.

Blending the new updated structure with the charm of the existing portion of the house was accomplished with the addition of a new breakfast area, family room and master suite.

DIRECTIONS

303 S. Chapman Street, Greensboro

From downtown travel west on Market Street. Left on South Chapman Street (near Our Lady of Grace Church).
