

KITCHEN

617 KIMBERLY DRIVE

PROJECT DESCRIPTION

The goal of FM Contracting was to bring a closed off 1950's ranch kitchen into the 21st century. We created a better floor plan and traffic flow. The kitchen was opened to the dining room and a narrow entry from the foyer was enlarged.

REMODELER

FM Contracting, LLC

BEFORE

Various green features were incorporated in this kitchen remodel including maple Executive Cabinets with low VOC finish and non porous Cambria quartz counters.

Travertine tile floors, energy efficient appliances and windows complete this beautiful kitchen remodel.

DIRECTIONS

617 Kimberly Drive, Greensboro

At the intersection of Elm Street and Cornwallis take Cornwallis heading toward Battleground Avenue. Right on Cleburne Street. Right on Kimberly Drive.
