

LITTLE HOUSES BUILD BIG HOUSES WITH HABITAT FOR HUMANITY OF GREATER GREENSBORO

Join us for a fun and meaningful volunteer experience with colleagues and friends. Build a child's dream play space, all while raising funds to support affordable housing in the community. Volunteer teams come together to construct and paint playhouses that will be gifted to Greensboro area children.

THE BUILD

Playhouse Project is a one-day team-building event. Teams of 10-12 volunteers assemble and decorate durable playhouses which are gifted to children of Habitat Greensboro homeowner families.

All materials and tools are provided to each team. No experience is needed. Groups have the opportunity to create the paint design and decoration based on the preferences of the child. A selection of basic paint colors will be provided. All your team needs to bring is your design and any other items to decorate your house!

BUILD TIME

Teams will build on their selected date from 8:30 am until 4:00 pm at our Gate City Warehouse. Or, let us bring the build to you! Volunteers may complete the project at your offices.

SPONSORSHIP

\$2,700 provides your team with the opportunity to build a single playhouse.
